Dear Keith

Preston Residential Helicopter Day - Friday 26th June 1998
Preston Marriott Hotel, Broughton, Preston

On behalf of CNT and all involved on the above event, may I say how grateful we were for your involvement on the above event.

The walkway worked perfectly on the landing site at Durton Lane and was positioned well to allow access of oncoming vehicles and allowed our guests to step onto the carpet without getting their shoes etc. muddy, due to the wet weather.

Many thanks also for transporting the two chairs which were based in the marquee, back to the hotel the day after the event.

I hope that we may work together again in the future.

With kind regards

Janet Cuthbert.
