RE – invoice no. 1705

Monday, 26 July 2004

Dear Ken,

Please find enclosed payment for the invoice for the hire of the marquee and equipment.

May we take this opportunity to thank yourself and all of your staff for their hard work and care when putting up and taking down the marquee. We had a wonderful day and we all enjoyed the atmosphere that was created by the marquee. Several of our guests have attended similar functions in marquees and all have said that they have not seen one of such high quality.

Kind regards

Elaine & Paul Smith
